Executive Project Proposal

This document outlines the core architecture and rollout timeline for the Enterprise PDF Web Suite.

1. Strategic Objectives

- • 100% Client-Side Privacy: Zero document uploads to external servers.
- • Visual Fidelity: Pixel-perfect preservation of fonts, layouts, and graphics.
- • Universal Conversion: Seamless export for Word, Excel, PowerPoint, and Images.

2. Deliverables & Milestones

Milestone	Target Date	Deliverable
Phase 1	Q1 2026	WebAssembly & Client-Side Parser Engine
Phase 2	Q2 2026	High-Fidelity Document Converters
Phase 3	Q3 2026	Full Desktop Experience & Retina Preview
